What is Builder's Club?

By Madison Milano & Matt Harper

Builder's Club is a Community Service Club ran by Mrs. Galicia and Mrs. Twarog. Some of the activities that the Builder's Club does are; delivering presents on holidays such as Christmas to less fortunate people, they make

SBAC sticky- notes to put on kid's lockers to remind them about SBAC and how everything will be okay. They run food drives, they make posters around the school for special events, they help with the Spirit of Giving, and they make key chains and bracelets for sick or hurt

people in the hospital. The club meets at Lincoln Middle School in the Guidance Room.

The way that you can get into Builder's Club is to go down to the Guidance Room and ask Mrs. Galicia for a form for your parents to sign and return to her the next day.

The Builder's Club runs every other Friday and it's after school from 2:15-2 : 4 5 P M .

However, if they're doing a larger activity where it involves more things like preparing for the trip to Hunter's Ambulance for Spirit Of Giving, then it would end at 3:00 or later.
